

This is to certify that
MCM Environmental Services Ltd

Deskclodge, 5th Floor, 1 Temple Way, Bristol, BS2 0BY, United Kingdom

Has been assessed
by Alex Drabek for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure for MCM Environmental Services Ltd. Including firewalls, routers, end user devices and hosted systems.

Certification date: August 18th, 2016

Recommended re-assessment date: **August 17th, 2017**

Certificate no.: 4473880858949179

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
